

Chartered Membership Examination

The Institution of Structural Engineers' Chartered Membership Examination tasks you with demonstrating the validity of your training and experience. Examiners must be satisfied that you have conveyed an understanding of structural engineering principles, an ability to initiate and communicate structural design and provide an effective solution to a structural design problem.

The examination is seven hours in duration. You must answer one question from a choice of five. All questions have two sections and BOTH parts of the question must be satisfactorily answered to achieve a pass.

Preparation Course 2018

The Chartered Member (CM) Prep course this year will run **for 4 weeks commencing on Tuesday, 10th April 2018 in (Room TBC) Dublin Institute of Technology, Bolton Street** ([map](#)) from 6:00 to 9:30pm, with a short recess approximately half way through. The dates are:
