

SER Board Director

Structural Engineers Registration Ltd have a vacancy for a Board Director.

Structural Engineers Registration Ltd (SER Ltd) is a trading subsidiary of the Institution of Structural Engineers and was formed, with the support of The Institution of Civil Engineers, to provide and manage registration schemes for the certification of the design of building structures. For more information go to: <https://www.ser-ltd.com/>

Personal Specification

A Chartered Member of either IStructE or ICE and with wide experience of the design of building structures and knowledge and interest in Building Regulations and Building Control.

Some experience of the different regulatory framework of Building Regulations in the different jurisdictions of the UK would be advantageous.

Any suitably qualified member of either Institution will be considered for the post but to maintain the balance on the board a member based and working outside Scotland would be desirable.

Duties

Four board meetings a year, usually held in London.

Review and ratify recommendations of the Scottish Registration Board (SRB) and Jersey Registration Board (JRB) concerning applications to become Approved Certifier or Approved Body; review and ratify recommendations from the SRB and JRB concerning audit outcomes, mentoring or suspension of scheme members.

Other ad hoc duties may be required including; involvement in interview panels for appointments to SRB, JRB and audit pool; serving as a member of the conduct panel; serving as a member of the disciplinary panel; meeting with ministers and civil servants; chairing seminars etc.

Remuneration

Board members are paid a day rate plus expenses for board meetings with allowances for other ad hoc duties dependant on those duties and time taken.

Applications

Applications to be made in writing with CV and covering note to SER Ltd Company Secretary Simon Flanagan via simon.flanagan@istructe.org

If you wish to discuss your application in advance, please contact SER Ltd Chairman Norman Train via normantrain@trainandkemp.co.uk
