

The Council

The main functions are to monitor the implementation of the Institution policy and strategy:

- ▶ Provide high-level guidance to the Board and monitor its activities
- ▶ To elect the President, up to three Vice-Presidents and the Council members of the Board
- ▶ To maintain interaction with Regional Groups
- ▶ To develop and maintain relevant stakeholder relationships
- ▶ To promote the structural engineering profession and the work of the Institution
- ▶ To act as a forum for discussions relating to the structural engineering profession
