

IStructE Elections 2025

Notice to voting members

To: VOTING MEMBERS

TRUSTEE AND COUNCIL ELECTIONS 2025

As we continue to embrace the culture of a truly international Institution and increased participation on Board, and Council, all voting members are invited to consider standing for election to the Board (as Vice-Presidents) and Council, subject to satisfying eligibility criteria.

Nominations are sought for candidates for Vice-President (Trustee) and Council election 2025

- **Vice President (Trustee) 2026 - 2028 – 1 vacancy to be filled by election**
 - Vice President elected from the electoral region UK and Europe
- **Vice President (Trustee) 2026 – 2028 – 1 vacancy to be filled by election**
 - Vice President elected from the electoral region Australasia and South-East Asia
- **Ordinary Member of Council 2026 - 2028 – 3 vacancies to be filled by election**

Chartered Structural Engineers, based in the relevant electoral region, who have submitted a current Institution Continuing Professional Development Return, are invited to consider standing for election as a Vice-President 2026-28.

Chartered Structural Engineers, Associates, Incorporated Structural Engineers, Technician Members and Graduate members, who have submitted a current Institution Continuing Professional Development return, are invited to consider standing for election as an Ordinary Member of the Council 2026-28.

Further information and nomination forms, which must be completed by the candidate and supported by ten other voting members are available at www.cesvotes.com/istructe

In due course, voting documents will be issued and you will be able to vote either electronically or by post.

The results will subsequently be published in *The Structural Engineer*, in the e-newsletter and on the IStructE website.
