Disciplinary Rules and Regulations
Complaints procedure
The Institution has a rigorous and impartial procedure for the consideration of allegations of professional misconduct. The operation of this procedure is the responsibility of the Professional Conduct Committee (PCC), (being one of the permanent committees of the Institution).

The PCC meets five times a year, and it is not unusual to take two or three meetings before a final Decision is reached by the PCC on any complaint. The PCC will not normally investigate a matter that is to be considered by a court, although it will do so after legal action has been completed.

A complaint must be made on the form available from the Institution, identifying the Member concerned and the article(s) of the code of conduct considered to have been infringed. The Disciplinary Rules explain the format required for any supporting documentary evidence.

When it receives the completed form, the Institution will send it to the Member concerned, for a response on a separate form. The Member’s response will be disclosed to the Complainant, who may reply to it, but may not raise any new allegations at that stage. If the Complainant does reply, this will be disclosed to the Member who may provide a further final response and this will be passed to the Complainant. The complaint then undergoes investigation and consideration by Preliminary Assessors and/or the PCC, following which a decision is provided to both the Member and the complainant.

The Preliminary Assessors and or the PCC, after considering the papers provided to it, may determine either, that there exists a case to answer against the Member, or that there is no case to answer.

Where the Preliminary Assessors and or the PCC decides that there is no case to answer, the complaint will be dismissed and this decision will be notified to the Complainant and to the Member.

Where the Preliminary Assessors (if appointed) decides that there may be a case to answer, in whole or in part, the complaint is referred to the PCC for determination.

Sanctions
The PCC having found a complaint proved (in whole or in part) will then consider what sanction would be appropriate and may take one or more of the following courses of action:

1. give Guidance to the Member;
2. issue a Training Order to the Member;
3. request the Member to issue an Apology;
4. direct the Member to give an Undertaking
5. issue a Warning to the Member;
6. issue a Reprimand to the Member;

In an exceptional case the PCC may make no order.

Subject to the Member complying with the sanction imposed, this will conclude the matter.

Should the case appear to the PCC to be serious or potentially serious and/or sufficiently complex such that the matter requires further investigation via a hearing, the PCC will refer the complaint against the Member to the Disciplinary Board where it will be investigated anew and separately decided.

In cases considered by the Disciplinary Board, it may, in addition to the sanctions available to the PCC, issue a Severe Reprimand, Suspend or Expel the Member. These sanctions are also available to the PCC in the case of a Member’s criminal conviction and in certain circumstances whereby a Member fails to comply with the disciplinary process, including a failure to comply with a decision of the PCC or the Disciplinary Board. However, it should be noted that the Institution has no power to award compensation or legal or other costs – either from its own funds or by an order to a Member– for any loss suffered.

Further Information
Institution staff can give further information on this procedure but may not give advice on the merits of complaints or the progress of complaints under consideration. The Institution will write to you should the PCC require further details, and in any event once the investigation is completed.

4.2.2.1 If the PCC decides that a Member has failed to comply with the Laws of the Institution including, but not limited to, any failure to comply with any Article of the Code of Conduct and any failure to comply with a decision of the PCC or the Disciplinary Board, it may take any one or more of the following courses of action:

4.2.2.3 If the PCC decides that there has been no failure by the Member to comply with the Laws of the Institution including, but not limited to, any Article of the Code of Conduct, it shall dismiss the matter to
the extent that there has been no such failure. The PCC may, if it so chooses, give informal guidance to the Member on any matter in relation to the complaint against them, such guidance will not form part of the Member’s disciplinary record.

4.2.2.4 In any Complaint, the PCC shall, having regard to the Code of Conduct and the evidence before it in the Complaint, be entitled to determine the Complaint as submitted or, subject to giving reasonable notice of its intention to the Member and (if deemed appropriate) the Complainant and as provided for in the Rules below, to amend or add to the Complaint in such manner as it considers appropriate including, but not limited to, adding allegations of the Member’s failure to comply with any Laws of Institution which are not relied upon by the Complainant. The power to amend or add to a Complaint as above shall not be exercised in circumstances where, in the opinion of the PCC, it would not be in the interests of justice to do so.

In such circumstances, the investigation shall be conducted in the name of the Member. Any medical information or documentation by the PCC in its investigation shall remain confidential and shall not be disclosed to a complainant (other than the PCC).

(1) The PCC shall have power to decide if, by reason of the nature of the conviction, there has been a failure by the Member to comply with the Laws of the Institution and, if so, the sanction (if any) to be imposed on the Member.

(2) The PCC shall, in addition to its powers under Regulations 4.2.2.1 and 4.2.2.2, have power to impose the sanctions of the Disciplinary Board set out in Regulations 4.3.2.1(3) and (4), including publication of the decision as provided for in Rule 8.3.

The PCC, after taking into account the Member’s explanation (if any), shall have power to take such steps as it considers appropriate without further recourse to the Member including, among others, the following:

(1) exercise any of the powers under Regulations 4.2.2.1 and 4.2.2.2; and/or

(3) in the case of any order made under Regulation 4.2.2.9(2), the PCC may revoke such order at any time.

CONSTITUTION AND PROCEDURAL RULES OF THE PCC

1. Constitution of the Professional Conduct Committee
1.1 The Professional Conduct Committee (‘PCC’) shall comprise a chairperson (‘the Chair of the PCC’) together with not less than four other Chartered Members of the Institution.
1.2 The Chair of the PCC, who shall ordinarily be a Past-President of the Institution, shall be appointed from time to time by the Board (or the President on its behalf). The Chair of the PCC may from time to time appoint another Fellow of the Institution, who shall be a Member of the PCC, to act in the Chair’s absence.
1.3 The Chair of the PCC and other Members of the PCC considering a Complaint shall not have any connection with the Complainant or the Member against whom the Complaint is made or knowledge of the Complaint such as would give rise to a conflict of interest or affect their independence and impartiality. The foregoing does not apply where the PCC is the Complainant, however any Member of the PCC who has a conflict or potential conflict of interest shall be removed from any discussion and decision-making in relation to the Complaint.
1.4 The PCC may sit with a legal adviser (‘the PCC’s Legal Adviser’) who shall not be a Member of the PCC and shall have no vote on any decision.
1.5 The PCC may appoint any adviser as in its sole discretion it deems necessary to assist it in its consideration of a Complaint. Any adviser (if appointed) shall not be a Member of the PCC and shall have no vote on any decision.

2. The Procedural Rules of the PCC
2.1 A Complaint to the PCC shall be set out in writing in the form prescribed from time to time by the PCC (‘the Complaint Form’). The Complaint shall be submitted to the Professional Conduct Manager and the Complaint Form shall provide a concise summary of the Complainant’s case and state the relevant Laws of the Institution including, but not limited to, the Articles of the Code of Conduct, with which the Member has allegedly failed to comply. Any documents or other evidence relied on by the Complainant shall be submitted with, and constitute part of, the Complaint.
2.2 A Complaint against a Member shall be received in writing by the Institution either within 3 years of the date of the last event(s) alleged to give rise to the Complaint, or within 1 year after the conclusion of any legal action relevant to the Complaint, whichever is the later.
2.3 The Professional Conduct Manager shall provide the Member against whom the complaint is made with a copy of the Complaint. The date of receipt of the Complaint by the Member shall be deemed to be 2 days after the date of posting of the Complaint to the Member. The Member shall provide a response in writing (‘the Response’) to the Complaint in writing in the form prescribed from time to time by the PCC, and shall ensure that such response is received by the Professional Conduct Manager within 30 days of receipt by the Member of the Complaint. The Response shall contain a detailed answer to each allegation in the Complaint together with any documents or other evidence on which the Member relies.
2.4 The Professional Conduct Manager shall within 15 days of receipt of the Response provide the Complainant with a copy of the Response. If the Member shall fail to provide a Response within the prescribed time, the PCC shall be entitled to consider and determine the Complaint without further recourse to the Member.
2.5 The Complainant may provide a reply in writing (‘the Reply’) to the Response in the form prescribed from time to time by the PCC within 20 days of the date of the Complainant’s receipt of the Response. The Professional Conduct Manager shall provide any Reply to the Member within 15 days of its receipt by the Professional Conduct Manager. If the Complainant does not provide a Reply within the prescribed time, the PCC shall be entitled to consider and determine the Complaint without further recourse to the Complainant.

2.6 The Reply (if any) shall be limited to any new matters raised by the Response. Any further documents or other evidence relied on by the Complainant shall be submitted with, and form part of, the Reply.
2.7 The Professional Conduct Manager shall within 15 days of receipt of the Reply provide the Member with a copy of the Reply.
2.8 The Member may provide a further response (2nd Response) in the form prescribed from time to time by the PCC within 20 days of the date of the Member’s receipt of the Reply. The Professional Conduct Manager shall provide any 2nd Response to the Complainant within 15 days of its receipt by the Professional Conduct Manager. If the Member does not provide a 2nd Response within the prescribed time, the PCC shall be entitled to consider and determine the Complaint without further recourse to the Member.

2.9 Except where the PCC shall consider it necessary and give permission, neither party shall be entitled to make any further submissions or submit further evidence after the 2nd Response.

2.10 In terms of form and content, the Complaint, the Response the Reply and the 2nd Response shall comply with the requirements below. 2.10.4 The Reply, if any, shall address only the new matters (if any) raised in the Response by reference to the same paragraph numbers used in the Response.

2.10.5 The 2nd Response, if any, shall address only the new matters (if any) raised in the Reply by reference to the same paragraph numbers used in the Reply.

2.10.6 The Complaint, the Response, the Reply (if any) and the 2nd Response (if any) must include, at the end, a statement of truth in the form ‘I believe that the facts stated in my submission to the Professional Conduct Committee are true’ and be signed by the Complainant or the Member, as the case may be, and dated.

In the case of documentary evidence, each page shall be paginated at the bottom right-hand corner and the cross-references above shall be to the relevant page number(s). In the case of any emails relied on, only one copy of each email shall be provided and in the case of sequential emails, the copies must be placed in chronological order, with the earliest first.

The Professional Conduct Manager shall be entitled to reformat any Complaint, Response, Reply or 2nd Response such that it complies with the required format above. In undertaking any reformatting, the content of the Complaint, Response, Reply, 2nd Response shall otherwise remain unchanged and the Professional Conduct Manager shall be entitled to liaise with the Complainant and/or Member accordingly.

In the absolute discretion of the Professional Conduct Manager the Complaint, together with the Response (if any) and the Reply (if any) and the 2nd Response (if any) may be referred either directly to the PCC or to two assessors ("the Preliminary Assessors") appointed by the Professional Conduct Manager from a panel of Preliminary Assessors comprising former Members of the PCC and/or Disciplinary Board, established from time to time by the PCC. The Preliminary Assessors shall be...
independent of the PCC and shall act impartially.

2.13 The Preliminary Assessors (if appointed) shall consider the Complaint, the Response (if any) the Reply (if any) and the 2nd Response (if any) and within 30 days of the date of their appointment, provide an opinion to the Professional Conduct Manager as to whether there may be a case for the Member to answer such that the Complaint should be placed before the PCC for decision or not.

2.14 If the Preliminary Assessors’ opinion is that there may be a case for the Member to answer, the Professional Conduct Manager shall place the Complaint before the PCC for decision.

2.15 If the Preliminary Assessors’ opinion is that the complaint is entirely without merit, the Professional Conduct Manager shall, within 10 days, inform the Complainant of the Preliminary Assessors’ opinion and the matter shall be concluded. In the event that the Preliminary Assessors are unable to reach a unanimous opinion as to whether or not there may be a case for the Member to answer, the Professional Conduct Manager shall refer the Complaint to the PCC for decision.

2.16 In the absolute discretion of the PCC Chair, a minimum of 2 Members of the PCC may be appointed to consider the Complaint, the Response (if any) the Reply (if any) and the 2nd Response (if any) (“the PCC Assessors”) who shall make a non-binding recommendation at a meeting of the whole PCC.

2.17 The PCC Assessors and/or the PCC shall be entitled to request the Complainant and/or the Member to provide any document or other information which the PCC Assessors and/or the PCC may consider relevant to the Complaint or investigation under Regulation 4.2.2.6. If the Complainant or the Member fails to provide without good reason any document requested by the PCC Assessors and/or the PCC, the PCC shall be entitled to draw such inferences from such failure as it deems appropriate in all the circumstances.

2.18 In any case where the Complaint has been amended by the PCC under Regulation 4.2.2.4, alternatively the Complaint has been initiated by the PCC on behalf of the Institution under Regulation 4.2.2.6, the PCC shall, through the Professional Conduct Manager, provide the Member (and, at the discretion of the PCC, the Complainant) with the amendments to the Complaint or the Amended Complaint, as the case may be. The Member shall provide the Response prescribed by Rule 2.3. The Complainant may provide the Reply under Rule 2.5. The PCC shall be entitled to request the Member to provide further information about the Response.

2.19 In any Complaint, if the Response or the Reply or the 2nd Response are not provided within the respective prescribed periods above, the Professional Conduct Manager shall be entitled to take such steps as the Professional Conduct Manager deems to be appropriate. In particular, the Professional Conduct Manager may proceed to refer the Complaint to the PCC or to the Preliminary Assessors as above.

2.20 The PCC shall consult in private and, except as provided for under Rule 2.25 and/or 2.26, decide the Complaint on the basis of the documents submitted by the parties, and neither the Member nor the Complainant shall be entitled to be present or represented.

2.21 In any case where the PCC initiates an investigation under Regulation 4.2.2.6, the procedure below shall apply:

2.21.1 The PCC shall, through the Professional Conduct Manager, inform the Member that it will be conducting an investigation and of its concerns causing it to do so. The Member shall be invited to provide the Professional Conduct Manager (within such time as may be specified) with representations as to those concerns. The Professional Conduct Manager shall be entitled (within such time as may be specified) to require the Member to provide further information to clarify or supplement the representations.

2.21.2 The Professional Conduct Manager shall provide the PCC with any representations and further information received from the Member.

2.21.3 The PCC shall consider the representation alongside any further information and shall decide whether it requires the Member to undergo a medical examination or assessment (which it shall specify) conducted by an independent medical practitioner approved by the PCC.

2.21.4 In any case where the PCC initiates an investigation under Regulation 4.2.2.6 as a result of matters raised during the investigation of a complaint, the Complainant, except where the Complainant is the PCC, will not be provided with information pertaining to the above investigation.

2.21.5 In any case where the PCC initiates an investigation under Regulation 4.2.2.6 as a result of matters raised during the investigation of a Complaint, the investigation of the Complaint will be suspended until such time that the investigation under Regulation 4.2.2.6 is concluded.

2.22 In the case of an investigation under Regulation 4.2.2.6, the following procedure shall apply:

2.22.1 The PCC shall decide whether or not the Member’s state of health prevents or hinders the ability to fulfil the professional obligations as a Member of the Institution such that fitness to practise as a structural engineer is impaired.

2.22.2 In the event that the PCC decides that the Member’s fitness to practise as a structural engineer is impaired by reason of a medical condition it may:

1. provide guidance;
2. require evidence of continuing medical assessment and/or treatment;
3. require the Member to provide and abide by undertakings (the terms of which it shall specify);
4. suspend the Member’s membership of the Institution for such period as it may determine up to 12 months, before which the PCC shall decide if a further period of suspension of up to 12 months is required;

2.22.3 To facilitate the PCC deciding if a further period of suspension is required it may require the Member to undergo a further medical examination or assessment and to be provided with evidence of the findings and/or conclusions of such examination or assessment.

2.24.2 The Professional Conduct Manager shall provide the PCC with any representations and further information received from the Member.
2.24.3 The PCC shall decide whether or not, based on the representations and any further information received from the Member, there may be a case to answer in respect of the Member's professional conduct.

A Member who is requested to attend before the PCC shall state within 20 days of the date of such request whether they intend to attend and state in the confirmation who (if anyone) will be attending with the Member and in what role. If the Member declines to attend or, having provided confirmation as above, fails to attend, the PCC will, on the day set for the Member's attendance, be entitled to draw such inferences from the Member's refusal or failure, as the case may be, as it deems appropriate in all the circumstances.

2.26 The PCC may, exceptionally and on giving reasonable notice, request a Member against whom a Complaint has been made and/or an investigation under Regulation 4.2.2.6 and/or an investigation under Regulation 4.2.1.2.6 is underway to attend before the PCC. In such circumstances, the Member shall be entitled to attend with a legal representative or other person either of whom (if any) shall not be entitled to address the PCC without its permission (which will ordinarily not be given). The PCC shall not be bound by the judicial rules of evidence and, except where it would be unjust to the Member, may take into account any evidence before it which, in the PCC's view is relevant to the Complaint.

2.28 In the case of a Complaint or a Complaint that has been amended by the PCC under Regulation 4.2.2.4, or alternatively the Complaint has been initiated by the PCC on behalf of the Institution under Regulation 4.2.2.5, the following procedure shall apply:

2.28.1 The PCC shall make its decision as to whether the Member has failed to comply with the Laws of the Institution, including any article of the Code of Conduct, on the balance of probabilities by a simple majority vote. No Member of the PCC shall be entitled to abstain. Without prejudice to Regulation 4.2.2.3, if there is no finding by a majority vote in respect of any allegation of a failure to comply with the Laws of the Institution including, but not limited to, any Article of the Code of Conduct, such allegation shall be dismissed.

2.28.2 If the Member admits the allegations in the Complaint or if the PCC decides that the Member has failed to comply with the Laws of the Institution, the Chair of the PCC shall make enquiries of the Professional Conduct Manager to establish whether there has been any previous complaint against the Member in which the decision of the PCC and/or the Disciplinary Board was that the Member had failed to comply with the Laws of the Institution. Subject to Regulation 4.4.1, the Professional Conduct Manager shall inform the PCC of any such decisions.

2.28.3 When deciding on the sanction to impose in respect of a Complaint of which all or part is upheld, and subject to Regulation 4.4.1, the PCC shall be entitled to take into account any previous decision or decisions of the PCC and/or the Disciplinary Board that the Member had failed to comply with the Laws of the Institution.

2.28.4 When deciding on the sanction to impose in respect of a Complaint of which all or part is upheld, and subject to Regulation 4.4.1, the PCC shall be entitled to take into account any findings and/or decisions of the PCC as a result of an investigation under Regulation 4.2.2.6 and or Regulation 4.2.1.2.6.

The PCC's decision shall be issued in writing to the Member and the Complainant, or in the case of an investigation under Regulation 4.2.2.6 and/or Regulation 4.2.1.2.6 only to the Member, within 30 days of the date on which the PCC made the decision. The decision shall take effect in accordance with Rule 8.1.

The PCC may, at its sole discretion, give reasons for its decision.

In the case of a Severe Reprimand and/or, Suspension and/or Expulsion, the Member's name will be disclosed including in The Structural Engineer and/or the Institution's electronic newsletter. In the case of a second Reprimand, and at the absolute discretion of the PCC, the Member's name may be disclosed including in The Structural Engineer and/or the Institution's electronic newsletter.

The Complainant's name shall not be disclosed or published under any circumstances.

In the case of a decision by the PCC to refer a Complaint (or other matter) to the Disciplinary Board the procedure below shall apply.

2.33.1 The PCC shall nominate a Member of the PCC (who, at the discretion of the PCC, may be assisted by a legal adviser), alternatively direct the Professional Conduct Manager to appoint counsel or a solicitor (either of whom shall be of no less than 7 years standing and may include the Legal Adviser to the PCC), as its representative (‘the PCC's Representative’) to present and conduct the case before the Disciplinary Board;

2.33.2 the PCC, through the Professional Conduct Manager, shall refer the Complaint (or other matter) to the Disciplinary Board and provide it with the documents which were before the PCC, including the Complaint Form, the Response (if any) and the Reply (if any), together with the PCC's Decision that the Member may have a case to answer; and

2.33.3 the Professional Conduct Manager shall initiate the procedures for the appointment of the Disciplinary Board.

The decision by the PCC to refer a Complaint (or other matter) to the Disciplinary Board will not be provided with reasons other than that the PCC considers that there may be a case to answer, and evidence of the PCC’s considerations will not be disclosed.

The PCC shall have no power to reconsider or revise any decision it has made except where the decision has been referred back to the PCC by the Review Assessors (as provided for in rule 2.42).

In respect of a decision of the PCC and/or Disciplinary Board which imposes on a Member the sanction of Guidance and/or Apology and/or Training Order and/or Undertaking and/or Warning, the Member shall have a right to make an application to have the decision reviewed.

In respect of any opinion of the Preliminary Assessors that there is no case for the Member to answer or any decision by the PCC and/or Disciplinary Board to dismiss all or part of the Complaint, the Complainant shall have a right to make an application to have the decision reviewed. The foregoing does not apply where the Preliminary Assessors or the PCC or the Disciplinary Board, as the case may be, find a complaint to be “wholly without merit”.

The right to a review of a decision or opinion, as the case may be, shall be limited to one or more of the grounds below.

2.38.1 The Preliminary Assessors, the PCC or the Disciplinary Board, as the case may be, may, incorrectly interpreted the Laws of the Institution including, but not limited to, the Code of Conduct or an opinion of the Preliminary Assessors or a decision of the PCC or the Disciplinary Board, as the case may be, was not reached in accordance with natural justice, subject to such default coming to the attention of the Professional Conduct Manager within 60 days of receipt by the Member of the PCC's decision; or

2.38.2 New evidence becomes available of which the Professional Conduct Manager becomes aware within 60 days of the date of the Preliminary Assessor's opinion or the PCC's or Disciplinary Board's decision, as the case may be, and such evidence could not, in the opinion of the Review Assessors, reasonably have been provided to the Preliminary Assessors.

Disciplinary Rules and Regulations

2.39 The Complainant’s and the Member’s entitlement to make an application to have a decision reviewed shall be limited to one application during the course of any Complaint and the application must be made within 60 days of the date of the opinion of the Preliminary Assessors or the decision of the PCC or Disciplinary Board, as the case may be.

2.40 In the event that a Member or Complainant make an application for review in accordance with rule 2.38, the Professional Conduct Manager shall refer the application for review to two reviewers ("the Review Assessors") appointed by the Professional Conduct Manager from a panel of Review Assessors comprising former Members of the PCC and/or Disciplinary Board, established from time to time by the PCC. The Review Assessors shall be independent of the PCC and shall act impartially.

2.41 The Review Assessors shall consider the application and any supporting documentation together with the Complaint, the Response (if any) the Reply (if any) and the 2nd Response (if any), the opinion of the Preliminary Assessors or the decision of the PCC or the Disciplinary Board, as the case may be, and within 30 days of the date of their appointment, decide whether the grounds for a review have been met.

2.42 If the Review Assessors’ opinion is that the grounds for a review have been met the Professional Conduct Manager shall refer the matter to the PCC for reconsideration and/or determination.

2.43 If the Review Assessors’ opinion is that the grounds for a review have not been met, the Professional Conduct Manager shall, within 10 days, inform the Complainant and the Member of the Review Assessors’ opinion and the matter will be closed.

2.44 In the event that the Review Assessors are unable to reach a unanimous opinion as to whether the grounds for review have been met the Professional Conduct Manager shall refer the matter to the PCC for reconsideration and/or determination.

2.45 The power to reconsider or revise a decision of the PCC does not apply in respect of a decision by the PCC to refer a complaint (or any matter) to the Disciplinary Board.

2.46 In respect of a decision by the PCC which imposes on a Member the sanction of Severe Reprimand or suspension of the Member’s rights and privileges or Expulsion, in accordance with Regulations 4.2.2.7(2) and 4.2.2.9, the Member shall have a right of appeal as described by Rule 9; Appeals from a Decision of the PCC and/or Disciplinary Board.

2.48 Except where it appears to the PCC that it would not be in the interests of justice to do so, the PCC may, at its sole discretion, and after giving notice in writing to the parties, consolidate and consider and determine at the same time any Complaints arising out of the same or substantially the same facts made by one Complainant against two or more Members, or made by two or more Complainants against the same Member.

2.49 The PCC may, at its sole discretion, postpone consideration of a Complaint and, without prejudice to its general discretion above, will ordinarily do so where legal or other proceedings, such as litigation or arbitration, relevant to the subject-matter of the Complaint have commenced or such legal action or other proceedings are contemplated.

2.50 If legal or other proceedings have not commenced within 60 days of the PCC’s decision to postpone consideration of the Complaint and/or the complaint fails to provide reasonably sufficient information pertaining to legal proceedings related to the complaint, the PCC may, at its sole discretion, decide to dismiss the complaint without consideration of the merits.

2.51 In the event of a complaint being dismissed pursuant to 2.50 the Complainant may not make a new or renewed complaint on substantially the same grounds and alleged facts (this being without prejudice to the power of the PCC in its sole discretion to make its own complaint against the Member). Whether a new or renewed complaint is on substantially the same grounds and alleged facts shall be determined by the Head of Professional Conduct and if that determination is, within 20 working days, objected to in writing by the Complainant, the determination of the Head of Professional Conduct shall be reviewed.

The two other persons shall normally be Fellows of the Institution but shall not be Members of the PCC or of the Board.

4.2 No Member of the Disciplinary Board considering a complaint shall have any connection with the complainant or the Member against whom the complaint is made or knowledge of the complaint such as would give rise to a conflict of interest or affect their independence and impartiality.

4.3 The Head of Professional Conduct may, if deemed appropriate, appoint a practising barrister or solicitor of at least 7 years standing to sit with the Disciplinary Board as Legal Adviser ("the Board's Legal Adviser") for the purpose of advising it on the exercise its functions. 4.6 A person who has been appointed to one Disciplinary Board may properly serve on another Disciplinary Board, save that such a person shall not sit on a Disciplinary Board hearing a Complaint against a Member if that person had sat on another Disciplinary Board in respect of a previous Complaint against the same Member.

5. Procedural Rules of the Disciplinary Board

5.1 The Professional Conduct Manager shall, within 30 days (or such other period as is reasonably practicable) from receipt of a decision from the Chair of the PCC that the PCC has referred the Complaint to the Disciplinary Board, commence the appointment of a Disciplinary Board and, if so advised by the PCC, shall also appoint counsel or a solicitor (with not less than 7 years standing) to act as the PCC's Representative.

5.2 The Professional Conduct Manager shall give the Complainant and the Member notice of the Members of the Disciplinary Board and the date on which the Complaint has been set down for hearing by the Disciplinary Board not less than 30 days before the date of such hearing.

5.3 The Professional Conduct Manager shall provide the Disciplinary Board, the Member and the Complainant with copies of the documents which were before the PCC, including the Complaint Form, the Response (if any) and the Reply (if any), together with the PCC's Decision, at the same time that the notice of the hearing date is given to the Member and the Complainant.

5.4 The Member may, within 15 days of receipt of the notice referred to in Rule 5.2, inform the Professional Conduct Manager of any reasonable objection to any person appointed to the Disciplinary Board and state the reasons for such objection. 5.7 The Member and the Complainant may each, at their own cost, be legally or otherwise represented.

5.8 A Member who intends to appear and/or to be represented before the Disciplinary Board shall give notice in writing to the Professional Conduct Manager accordingly, such notice to be received by the Professional Conduct Manager not less than 60 days before the date of the hearing. The Professional Conduct Manager shall provide the Complainant and the Disciplinary Board with a copy of the Member's notice, witness statement(s) and request to call the evidence. In the event that any witness does not attend in person, the Disciplinary Board, at its discretion, may accept a written witness statement(s) and give such weight to that statement(s) as it deems appropriate.

5.13 In respect of any request by the PCC's Representative under Rule 5.11 or by the Member under Rule 5.12, the Disciplinary Board shall, not less than 40 days before the date of the hearing, inform the Professional Conduct Manager in writing as to whether or not it will permit any additional witness(es) to appear at the hearing. 5.15 The Professional Conduct Manager shall, not less than 60 days before the hearing of the Disciplinary Board, seek confirmation of the Complainant’s intention to attend and/or be represented before the Disciplinary Board or not, as the case may be. 7.3 The Disciplinary Board shall make its decision as to whether or not the Member has failed to comply with the Laws of the Institution on the balance of probabilities, by a simple majority vote. No Member of the Disciplinary Board shall be entitled to abstain.

7.8 After the submission of mitigation (if any) by the Member and the response (if any) by the PCC's Representative, the Disciplinary Board shall reserve its decision on the sanction to be imposed and the Chair shall close the hearing.

7.9 When deciding on the sanction to be imposed in respect of its decision on the Complaint:

7.9.1 the Disciplinary Board shall, subject to Regulation 4.4, be entitled to take into account any previous decision or decisions of the PCC and/or the Disciplinary Board, as the case may be, that the Member had failed to comply with the Laws of the Institution of which it is informed by the Head of Professional Conduct; and

7.9.2 the Disciplinary Board shall consider the mitigation (if any) submitted by or on behalf of the Member and shall give such weight to it as it considers appropriate before deciding on any sanction.

7.10 If the sanction to be imposed is suspension of the Member's rights and privileges or expulsion, the decision of the Disciplinary Board shall be unanimous. In the case of any other sanction or sanctions to be imposed, the Disciplinary Board may make its decision by a simple majority.

7.11 Within 30 days of the day or last day, as the case may be, of the Disciplinary Board hearing, the Professional Conduct Manager on behalf of the Chair shall send to the Member and to the Complainant and to the Chair of the PCC the Disciplinary Board's decision with reasons in writing, including the sanction or sanctions imposed on the Member. The decision shall be sent by any service for delivery that provides for a signature upon receipt.

7.12 The Disciplinary Board shall not have power to review or set aside any decision it has made, other than in respect of the sanction following a successful appeal in accordance with Rule(s) 9.8.2 and/or 9.8.3. In any case where the Appeal Tribunal refers the Complaint back to the Disciplinary Board for re-consideration, the Disciplinary Board shall, at its sole discretion, be entitled to decide whether further submissions and/or a further hearing may be required or not.

8. Time from which a decision is effective and publication of a decision

8.1 Unless stated otherwise in the decision, any decision of the PCC or the Disciplinary Board, as the case may be, including the sanction imposed, shall take effect and may be published in accordance with the Rules below.

8.1.1 In the case of decisions not encompassed by Rule 9.1, on the date of receipt of the written decision by the Member;

8.1.2 In respect of decisions encompassed by Rule 9.1, on the expiry of the period for lodging an appeal (if no appeal shall be lodged), or on the day of the completion of the appeal process (if an appeal should be lodged and be unsuccessful).

8.2 In the case of a Warning or Reprimand, a summary of the decision (without reasons) prepared by or on behalf of the Head of Professional Conduct, shall be published, without the name of the Member, in The Structural Engineer and in the Institution's electronic newsletter.

8.3 In the case of a Severe Reprimand, Suspension or Expulsion, a summary (without reasons) of the PCC's or Disciplinary Board's decision, as the case may be, prepared by or on behalf of the Head of Professional Conduct shall be published, together with the member's name, in The Structural Engineer and in the Institution's electronic newsletter.

8.4 The Complainant's name shall not be disclosed or published by the Institution under any circumstances.

8.5 In the case of Suspension or Expulsion of a Registrant, the Professional Conduct Manager shall inform the Engineering Council.

8.6 In the case of a Complaint which has been referred to the Institution by the Engineering Council, the Professional Conduct Manager shall inform the Engineering Council of the Disciplinary Board's decision immediately on the expiry of the period for lodging an appeal (if no appeal is lodged), or (if any appeal is lodged), after the completion of the appeal process.
9. Appeals from a Decision of the PCC or Disciplinary Board

9.1 In respect of a decision of the PCC and/or Disciplinary Board which imposes on a Member the sanction of a Severe Reprimand or Suspension of the Member’s rights and privileges or Expulsion, and/or in respect of a decision by the PCC to publish the Member’s name in accordance with rule 2.31, the Member shall have a right of appeal.

9.2 Subject to Rule 9.11 (an appeal directly to the Engineering Council), an appeals tribunal of competent jurisdiction nominated and adopted from time to time by the Institution's Trustee Board (referred to below as ‘the Appeal Tribunal’).

9.3 The right of appeal under Rule 9.1 shall be limited to one or more of the grounds below.

9.3.1 The PCC or the Disciplinary Board, as the case may be, incorrectly interpreted the Laws of the Institution including, but not limited to, the Code of Conduct.

9.3.2 The PCC or the Disciplinary Board, as the case may be, unreasonably refused to consider new evidence before or during the hearing.

9.3.3 The decision of the PCC or the Disciplinary Board, as the case may be, was not reached in accordance with natural justice.

9.3.4 The sanction imposed by the PCC or the Disciplinary Board, as the case may be, was inequitable.

9.4 The Member shall deliver a written notice (“the Notice of Appeal”) to the Head of Professional Conduct within 30 days after receipt of the decision of the PCC or the Disciplinary Board, as the case may be, by the Member.

9.5 The Notice of Appeal shall be delivered by registered post or other document delivery service (including email) and shall be valid only if a delivery receipt in respect of the notice is obtained at the time of delivery.

9.6 The Notice of Appeal shall set out the grounds of appeal.

9.7 The Head of Professional Conduct shall, within 20 days after receipt of the Notice of Appeal, inform the Member, in writing, of the nominated Appeal Tribunal and the procedures of the Appeal Tribunal in force at the time the Notice of Appeal is delivered and under which the appeal shall be conducted.

9.8 The Appeal Tribunal shall not be entitled to determine the substance of the Complaint other than in accordance with the powers below.

9.8.1 To decide whether or not the PCC or the Disciplinary Board, as the case may be, interpreted correctly the Laws of the Institution.

9.8.2 To ratify, alternatively to recommend a variation or withdrawal of, any sanction imposed by PCC or the Disciplinary Board, as the case may be, and in any case where the Appeal Tribunal shall recommend a variation or withdrawal of a sanction, to refer the Complaint back to the PCC or the Disciplinary Board for re-consideration and final decision.

9.8.3 To refer the Complaint back to the PCC or the Disciplinary Board, as the case may be, if new evidence is produced that was not submitted to the Disciplinary Board, and the Appeal Tribunal shall consider that such evidence could not reasonably have been produced at the time for consideration by the PCC or the Disciplinary Board.

9.8.4 To decide whether the decision of the PCC or the Disciplinary Board, as the case may be, was reached in accordance with natural justice or not.

9.9 The Member, the Complainant and the Institution shall be bound by the decision of the relevant Appeal Tribunal.

9.10 The Appeal Tribunal shall inform the Member and the Head of Professional Conduct in writing of its decision within 15 days, or such other time prescribed by the procedures of the Appeal Tribunal after the Appeal Tribunal has reached its decision.

9.11 In any case where the sanction imposed by the PCC or the Disciplinary Board, as the case may be, would result in the Member losing the right to be a Registrant of the Engineering Council, the appeal may, subject to Rule 9.12 and at the election of the Member, be referred directly to the Board of the Engineering Council instead of the Appeal Tribunal and conducted in accordance with the Engineering Council’s regulations in force at the time the appeal is delivered.

9.12 The right of appeal to the Engineering Council shall be limited to matters of process, as prescribed by the Engineering Council. The Engineering Council shall not be entitled to determine the substance of the Complaint.

9.13 In the case of an appeal to the Engineering Council, the Member must lodge a request to appeal in writing to the Engineering Council in accordance with its Regulations and provide a copy of such request to the Head of Professional Conduct of the Institution on the same day that it is lodged with the Engineering Council.
