To: VOTING MEMBERS

Scotland Regional Group Election 2023

The Scotland Regional Group is one of the first new-style IStructE Regional Groups to form. Nominations are now sought for candidates for the following positions on the Scotland Regional Group Committee for 2024-2025.

- **Chair – 1 vacancy to be filled by election.**
- **Vice Chair – 1 vacancy to be filled by election.**

Chartered Structural Engineers, Associates, Incorporated-Members and Technician-Members are invited to consider standing for election as Chair or Vice Chair of the Scotland Regional Group.

Further information and nomination forms (which must be completed by the candidate and supported by 2 other Voting Members) are available at www.cesvotes.com/istructe/Scotland

In due course, voting documents will be issued and you will be able to vote electronically.

The results will subsequently be published in the e-newsletter and on the IStructE website.
