

**Statement of impact of research:**

**Statement on how the project meets the judging criteria:**

- Refer to the scheme webpage ([www.eefit.org.uk/grant](http://www.eefit.org.uk/grant)) for judging criteria.

**Summary of track record of applicant or supervisor:**

- Note that an applicant's track record will be considered in the light of the length of their career.
- If a student has been identified for this project, then state their name in this section and append their short CV to this form.

**Detailed justification of resources requested:**

- Include a breakdown of costs.
- Where the grant is to support work that is part of a larger project, then the applicant must explicitly state what the EEFIT funding relates to.
- Where match-funds have been secured, a letter of confirmation from the project partner should be appended as a PDF.
- Where match-funds will be sought post-award, target partners should be cited here.

**Work plan:**

- Outline work stages and time involved.

**Declarations**

**In the event of being awarded a grant, I agree to:**

- Present the results of my research at an EEFIT evening meeting.
- Provide a written report on the project within 2 months of completion; the report must include how the work relates to EEFIT's objectives.
- Allow outline details of the project to appear on the EEFIT website with my contact details.
- Join EEFIT for an annual subscription of £15/£20 if I am not already a member.
