

Subscription reductions

Member name:

Income

- I am unemployed and my income is less than the equivalent of £15,000 sterling per annum. I claim a reduction of 60% on my standard fee and the reduced Engineering Council fee (if appropriate).
- I am employed and my income is less than the equivalent of £15,000 sterling per annum. I claim a reduction of 60% on my standard fee and the reduced Engineering Council fee (if appropriate).

Retirement

I will be retired on 1 January 2015 and expect my income from structural engineering to be less than the equivalent of £5,000 sterling per annum and:

I wish to receive *The Structural Engineer*:

- I am a Fellow: £77
- I hold a grade of membership other than Fellow: £63
- I do not wish to receive *The Structural Engineer*: £32

Upon transferring to the retired rate you may also claim a reduction in your Engineering Council Fee:

- CEng: £16.10
- IEng: £13.50
- Eng Tech: £7.80

Life membership

- The Institution has introduced a facility for retired members who do not receive a printed copy of *The Structural Engineer* to make a one-off lifetime subscription payment of £390. If you are interested in "life membership" please tick here for further information.

Joint membership

- I am a member of *HKIE/*SAICE/*SESOC/IES/SEABC(DSE)/BAPE/APETT (delete as appropriate) and I wish to claim a reduction. I attach proof of membership.

*To qualify for a reduction, you must be resident in the relevant country.

Career break

A reduction is available if you expect to take a career break (for any purpose, including maternity/paternity leave) of at least 6 months

Membership No:

and as a result your annual income will be less than £15,000 sterling. Should you wish to request this reduction please write to the Director, Membership & Education at the address below or by email to records@istructe.org.

Engineering Council Fee

Engineering Council annual registration fees are collected on behalf of the Engineering Council and are passed to them in full. If you are registered as CEng/IEng/EngTech and if you have previously paid the Engineering Council fee via us, this will be shown on your Subscription Statement. Should you wish to withdraw from registration or pay the fee through another institution please complete the details below:

- I now pay the Engineering Council fee via

_____ and have amended the Subscription Statement accordingly

- I wish to withdraw from registration with the Engineering Council and have amended the Subscription Statement accordingly

I confirm that I am entitled to receive the reduction as claimed above and acknowledge that I may be asked to submit evidence to support my claim.

CPD - The reporting of CPD is now mandatory for professionally qualified members who have not retired.

Payment of your subscription confirms that you have satisfied your CPD obligation – normally 90 hours over a three year period.

I have amended the Subscription Statement accordingly and enclose/will pay the appropriate fee.
