Looking to reduce your carbon footprint?

We're excited to offer you a simple way to opt out of receiving printed copies of *The Structural Engineer* magazine. By choosing the digital-only format, you'll help us minimise our carbon emissions, and support our shared commitment to driving sustainability within the structural engineering profession.

Why go digital only?

- **Eco-friendly:** Reduce your carbon footprint and contribute to resource conservation.
- **Convenient:** Access every issue from anywhere, at any time, on any device.

Join us in our effort to shape a more sustainable future for the profession.
