CSI Global

Structural Engineering Design and Detailing Services for the World...

Why CSI Global?

- Unparalleled value
- Quick turnaround meeting tight deadlines
- Highly professional team
- Led by experienced Chartered Structural Engineers

RC Detailing
Average Price:
£110/A1
£180/A0

Offer for New Clients:
Max. 4 RC drawings FREE!!!

Design and FE Modeling:

- Conceptual and detailed design services for RC and steel frames
- Initial FE Modelling and Feasibility Assessment
- Reinforcement estimates based on preliminary information to consultants

RC Detailing:

- Euro and American codes of practice
- Floor slab RC Detailing from reinforcement contours output provided
- Punching Shear calculations and link arrangements to ensure easy placement on site

Precast:

- Design and Detailing of hollow core slabs, stairs and bespoke precast units
- Design of special steel staircases including circular and scissor stairs

BIM Modeling:

- Multi-discipline BIM modeling services from inception to LOD 500
- Upgrade from any stage to final as - built model
