Find the right candidate from our global pool of qualified structural engineers

The IStructE jobs website is the home of The Institution of Structural Engineers' talent-sourcing solutions, putting your role in front of the right candidates, on the right channel, at the right time.

Providing employers with access to its 30,000 members (and 20,000+ additional relevant candidates from around the world), you can target the job-seekers you're looking for, from 11,000+ graduate members, through to more experienced candidates.

This careers hub provides candidates with useful information for applying for jobs in this exciting sector. Promote your business further by establishing yourselves as thought leaders and providing sponsored career advice.
